## Welcome!

The Organized Play Foundation Knowledge Base compiles and catalogs official information specific to the worldwide living campaigns run by the OPF. This site is the official source for the *Guide to Organized Play* for Pathfinder Society (Second Edition) and Starfinder Society.

The knowledge base will grow and change over time, including revisions to the *Guides*; additional information for the two active campaigns (PFS2 and SFS) and the two legacy campaigns (PFS1 and the

Adventure Card Society); and any future developments.

If you would like to help with the OPF Knowledge Base or you find something on the site that may need our attention, please use the OPF "Contact Us" form <https://www.organizedplayfoundation.org/contact/> to let us know!
